Profile & Risk

Reachable windows

Midday 12:30 PM

Evening 7:30 PM

Non-urgent items are held for your windows.

Daily noise budget

6

After the cap, items go to Digest.

Focus

SECTORS

Tech · Macro · Consumer · Healthcare · Energy · Industrials

TOPICS

Earnings · Rates · Regulation · Credit · Supply chain

Start broad; refine if you see too much noise.

Risk comfort

Calm · Balanced · Assertive

- Smaller starter size suggestions
- Stronger protections surfaced
- Higher bar for urgent break-through

Urgent events can break through

Only high confidence

Only top holdings

Interruptions stay rare and meaningful.
